

Public Testimonial Form

Do you encounter challenges when using public transportation to travel to or from the North East of Scotland? Have you faced difficulties accessing essential services like employment, education, healthcare, or leisure destinations in the region? Whether you need to reach HMP Grampian, are on a business trip, or simply exploring the area as a local resident, regular commuter, or tourist, we're interested in hearing about your experiences and any obstacles you've encountered while navigating the public transportation system in this region.
